

Vicky and Kenny ride to the challenge!

We are delighted to accept a staggering £650 from Kenny Forfar and daughter Vicky Buckingham who completed their "Tour de Wirral" and cycled 4x around the Wirral equating to 100 miles....

Vicky who has used the services at the DIAL House Disability Rights Centre on several occasions since 2008, wanted to say thank you to all the wonderful staff and volunteers who have helped her over the years.

Kenny, Vicky's father said:

"The advice and information we have received has been invaluable to our family. Vicky and I wanted to raise awareness of this excellent charity, which helps to improve the lives of disabled people, and we raised the money as a thank you for everything they have done."

Keith Roper Chief Officer said:

"We are very grateful to Vicky and her dad Kenny for completing this cycling challenge and raising such a generous amount for DIAL. The charity DIAL West Cheshire is facing some serious financial challenges and has been looking at ways of becoming more sustainable over the next few years. One of their projects is to turn part of the Shopmobility unit into a retail outlet. In addition to hiring out mobility equipment, the charity sells independent living aids but intends to expand this area in order to generate revenue to reinvest in its valuable services."

If you would like to make a donation and help them equip the shop or buy new mobility scooters to hire out, please get in touch with Yvette at y.thorman@dialwestcheshire.org.uk or to donate on-line please click on the link below:
