

Lord Mayor Cllr Razia Daniels hosts 1st supper club

DIAL West Cheshire were delighted to attend the 1st supper club at the Delhi Street Indian restaurant in Hoole. The supper was hosted by Lord Mayor Cllr Razia Daniels in support of her 3 charities – DIAL West Cheshire, St. Mary's Handbridge Centre, CHAWREC (Cheshire, Halton & Warrington Race & Equality Centre.)

Over the next year the three charities will be holding a number of exciting events including a number of supper clubs at different venues, to raise funds that will be shared between them.

Lord Mayor Cllr Razia Daniels said:

“I am delighted to be supporting these three amazing charities that all support the local community in Chester and surrounding areas.”

“The 1st supper was a great success with a really good turn-out. We will be holding our next supper club on the 26th of July at Chester Golf Club at Curzon Park and look forward to seeing you all there.”
