

Join in the fun at FunABILITY....

DIAL West Cheshire is delighted to invite you to join us for a fantastic family day out at Grosvenor Park, Chester on the 22nd of July from 11am.

The event will include a sponsored Walk “n” Wheel around the park area. We are hoping that wheelchair users, people on mobility scooters, children and families and others will take part to help raise much needed funds for DIAL West Cheshire.

DIAL West Cheshire is committed to improving the lives of disabled people and has served the local community in Chester and surrounding areas for over 30 years.

Keith Roper, Chief Officer, said:

“We are hoping to get an excellent turnout for the day and have already got lots of our staff, volunteers and regular customers signed up for the sponsored Walk “n” Wheel.” We would like, however, to involve the wider public and hope they will join us for a really enjoyable family fun day out with lots of great entertainment.”
