

Accessibility

DIAL West Cheshire's FunABILITY day aims to provide an enjoyable experience for all visitors. The event on 22 July 2017 is based in Grosvenor Park in Chester. The information below aims to describe the facilities and services that will be available to visitors with access needs.

Mobility Equipment

DIAL West Cheshire's Shopmobility Service will have a stand at this event next to the Pavilion Building/Activity Zone in the park, offering FREE hire of mobility equipment, including mobility scooters and wheelchairs. Please allow a few minutes to complete a brief registration process before using the equipment available. All customers will be given instruction in the safe use of equipment and must demonstrate their competence to use such equipment. DIAL West Cheshire reserve the right to decline the hire of equipment if there is any doubt about a customer's ability to operate mobility equipment safely. Equipment cannot be pre-booked at the park and will be made available on a first come, first served basis on the day. Alternatively, equipment *can* be pre-booked from the DIAL Shopmobility Service based at Kaleyards car park, off Frodsham Street in the city centre (telephone 01244 312626). All mobility scooter users (including people with their own equipment) are advised to proceed through the park at slow speed.

Car parking

Grosvenor Park does not have a dedicated car park. Blue Badge Parking (eg up to three hours on yellow lines) is available on the side roads near the park.

Toilets

Accessible toilets and a Changing Places toilet are located in the Pavilion Building.

Dogs

Assistance dogs are welcome to accompany their owners around the park, the stalls and refreshments areas. A water bowl for dogs will be available at the Pavilion Building. Park regulations state that dogs must be kept on a lead. Please keep your dog under control at all times and, if necessary, please clean up after your dog.

For further information about disabled access at Grosvenor Park visit the DisabledGo website: <http://www.disabledgo.com/access-guide/cheshire-west-and-chester/grosvenor-park>
